Newport, Michigan , FAX email: Thanks again for the wonderful craftsmanship on this beautiful instrument. The Michael Lipe were basically the only ones I really enjoyed playing with. It has the density of Maple however the grains are more brittle with oilier pores. Thanks for the great instruments and keep up the great work. While I hold many of these other guitars and their builders in high esteem, and would have great things to say about them as well my first experience with Lipe Guitars has truly been in class all by itself. I'm lost my words I own many guitars 40 give or take and play professionally here in Orlando and although I must say, I bought my Lipe initially based on its amazing looks and strong word of mouth from the guys at Music Zoo, I am completely amazed at the quality of the craftsmanship, the amazing materials, and most importantly, the tone The Korina body is a first for me and might I add that it will not be the last. It has a sharper attack than rosewood, with good sustain, and its warmer sounding than Ebony. Two tablets of Clomid 50mg should be taken once per every 24 hours, within 5 days.
