For years he'd been buying some of his wife's other prescription drugs from an online Canadian pharmacy, Canada Drugs. David Lazarus' column runs Tuesdays and Fridays. And that's good advice. Express Scripts said it will classify Advair as a "non-preferred" drug, meaning that patient co-pays will be higher than for preferred meds. The Centers for Disease Control and Prevention estimates that about 19 million American adults and 7 million kids have asthma. But they love their country too much for that. Send your tips or feedback to david. Pavur said it's unfair to compare Advair prices in the United States with those in Canada. Prescription drugs are an especially fertile source of profits. Bradd Pavur, a Glaxo spokesman, said the company takes "a thoughtful approach to pricing in all the countries in which we operate. It goes without saying that there's no economic rationale for such a wide gap in pricing. Drug companies can charge Americans as much as they please. Bent Christensen, 78, said he appreciates the savings and also the opportunity to save Medicare some money. In January, the biggest manager of prescription drug benefits for insurers and drugstores, a company called Express Scripts, said it would no longer reimburse Advair purchases because the drug had become too expensive. Nevertheless, the Huntington Beach couple buy most of their prescription drugs from an online Canadian pharmacy at prices much lower than in the United States. It's not, and it's another reason, along with sky-high charges for treatment and medical devices, that U. But Christensen told me this doesn't make such high prices easier to swallow. Be the first to comment Hide Comments. One way they're different: Christensen said he and his wife have never had a problem with pills obtained from Canada Drugs.
