In , a mammoth , prescriptions were issued by the HSE for Viagra, up from , in and just 61, in Then along came Viagra. Suddenly Erectile Dysfunction ED was dragged out of the bedroom and into the spotlight. Laura Donnelly Thousands of women with the most deadly form of breast cancer could be given hope by a breakthrough treatment which could make chemotherapy effective. In , the drug was approved by the FDA as the first oral treatment for erectile dysfunction and Viagra's makers saw their research work rewarded with a Nobel Prize. With a solution now available it seemed men were more willing to admit that a problem existed. Even ageing lothario Jack Nicholson confessed to popping an occasional pill should the circumstances require it, explaining: Playboy founder Hugh Hefner dubbed the drug "God's little helper" while Michael Douglas, married to Catherine Zeta Jones 25 years his junior hailed it as "a wonderful enhancement. Particularly if those doors were to the bedroom and what was happening was in fact not happening. Chrissie Russell June 23 5: Hugh Hefner has called Viagra 'God's little helper'. A cohort of celebrities led the way, flying the flag for Viagra. The rise and rise of Generation Viagra This month Viagra loses its patent protection.Jun 23, - In , a mammoth , prescriptions were issued by the HSE for Viagra, up from , in and just 61, in The rise in demand meant that last year the cost of dispensing Viagra in Ireland set the HSE back m, with the highest proportion of usage concentrated in the Dublin South.
