Comment Please enter a comment. Proposed federal limits to opioid prescriptions draw opposition from physicians and patients. By Ed Silverman Pharmalot January 4, Lawmaker wants drug companies to explain how tax law. The case drew interest because AstraZeneca asserted its product was closely associated with a particular color, a tactic that experts had noted is not often pursued in trademark cases. Why fentanyl is deadlier than heroin, in a single. This was the second time, in fact, that AstraZeneca won such an order in recent months against a generic drug maker that attempted to sell a version of Nexium that resembled its brand-name pill. Lawmaker wants drug companies to explain how tax law money will be used By Ed Silverman. As a result, color would not have mattered for many patients. The case also raised a public health issue, since a generic that closely resembles a brand-name pill may also mitigate confusion among patients who may think they received an incorrect medication. Lawmaker wants drug companies to explain how tax law money will be used. Nexium is entirely purple, except for three small gold rings that run around a portion of the pill. A former Sanofi exec caught sexting loses his case; where are the women in pharma leadership? UnitedHealthcare will pass some rebates to consumers, but will. Why fentanyl is deadlier than heroin, in a single photo. Leave a Comment Cancel reply Name Please enter your name. It is worth noting, by the way, that the version concocted by Dr. Proposed federal limits to opioid prescriptions draw opposition from. Email Address Please enter a valid email address. The change is not terribly surprising. Jan 26, - FDA in November cancelled Ranbaxy's exclusive but wouldn't say who might make a generic. The FDA has been working to find a way around its own rules, since facing the same issue when Novartis' heart drug Diovan went off patent in At that point, the FDA had not banned the Ranbaxy plant in.
