Different erectile dysfunction medicines suit different people, but it is difficult to tell which one will be best for you until you have tried them all. Some men with erectile dysfunction, or ED, find they can return to an active sex life by treating an underlying condition, such as high blood pressure, or with counseling and lifestyle changes. But there are other situations that may make these medications unsafe as well. Aug 18, Emily Hunt. We also often suggest that men initially try all three erectile dysfunction medicines to see which is best for them, and we offer a starter pack of Viagra, Levitra and Cialis for those suitable. However, as above, it is possible that one medicine will be more or less effective than the others, and therefore it is best to initially try out all three to see which is best.
