Last Post By Slipz I think I'm balding Today Last Post By Sean. I made an appointment at a local dermatologist and during my checkup mentioned I had noticed my hair thinning. Przedstawienie wymaga 22 zmian sceny. An insurance company pays nothing. In the exorbitantly priced landscape of prescription drugs, there is at least one low-cost oasis: All on the backs of the follicly-challenged, for whom this whole business is a bitter pill to swallow. Baubac Rep Today Just be firm about the 5mg and tell them you've done your research. The Case of Finasteride Despite this cost-effective, convenient solution, there is at least one drug for which there is a hitch. So in this case, the substitution of branded 1mg finasteride Propecia with generic 5mg finasteride cannot come from the pharmacist alone. Second, it would make it more difficult for consumers to realize that a cheaper 5 mg version of the identical chemical substance was available. For pharmacy services you can trust and prescription medications you can afford, choose Walmart. Controlling health care costs is an important task, and it is quite sensible that serious medical conditions should receive priority over cosmetic ones. He stated that he tries to avoid prescribing them because some patients would take the full 5mg, but he agreed to write it. All times are GMT I'm sure someone will since there really isn't anything wrong with a doctor writing an off-label prescription. Finasteride (Proscar, Propecia) is an inexpensive drug used for the treatment of hair loss and benign prostatic hyperplasia (BPH). Proscar (finasteride 5 mg) is used to treat BPH, and Propecia (finasteride 1 mg) is used for hair loss. Generic finasteride is covered by most Medicare. May 16, - Generic Finasteride 1mg and 5mg prices. According to a pharmacist I talked to at Walmart, there are numerous types of discount cards available these days that will get you \$50 off a prescription. She said she was not allowed to tell me where to get such cards, but they are easy to find. Also note that at. At Walmart Pharmacy, we work hard to offer our customers affordable prices for generic medications. Find yours for just \$4 or \$10 for a 30 or day supply. May 23, - This may have been posted before but I just had to share unahistoriafantastica.com I have been paying about \$90 a month for propecia. I recently talked my Doctor into prescribing me Proscar to cut up into fourths. I couldn't believe the price of the generic Walmart brand. NINE F*#KING DOLLARS!! For 4 months of.
