Your prescription will be issued by one of our in-house doctors who are all UK registered with the General Medical Council. A Brand You Can Trust. You'll complete a short online health assessment and select your preferred treatment. Set a date to quit smoking during the second week of treatment. Zyban is used to treat major depressive disorder and seasonal affective disorder. If you're unsure, our in-house GPs can also recommend the best treatment for you. Do not crush, chew, or break an extended-release tablet. You may have a higher risk of seizures if you use certain medications together with bupropion. Why is Superdrug Online Doctor not offering Zyban? Buy Zyban without Prescription. Most smokers struggle with withdrawal symptoms when they stop smoking. It is particularly important that you mention any mental health issues you suffer from or have suffered from in the past. If you provide a urine sample for drug screening, tell the laboratory staff that you are taking bupropion. A new issue of Ekbladet is here! You should not take bupropion if you have: Zyban is a quit smoking medication which contains the active substance bupropion. It reduces nicotine withdrawal symptoms and needs to be taken for a duration of several weeks. Superdrug Online Doctor does not currently offer this medication. We offer the smoking cessation treatment Champix instead, which has been.
