The resource to the URL or file is currently unavailable. There is an alternative brand to choose from in the table below. In the event that you do not do this, the product will be deleted from your order and the balance of your order will be dispatched. Pharmacists cannot dispense the item as a pharmaceutical benefit unless it has been approved by Medicare Australia indicated by the presence of the approval number. You must first place the order and then contact our pharmacists within 48 hours on Alternative brands works in the same way as the existing medicine. When a prescription is dispensed as a private prescription you do not receive any safety net contribution toward your PBS safety net. Prescriptions must be written on an Authority Prescription Form, and the approval number must be noted on the prescription. Pharmacist Only Medicine This product is a Pharmacist Only Medicine and requires pharmacist advice before we can dispatch this product. S8 Note - This prescription item is Schedule 8 and can only be supplied on a script from a registered doctor in Queensland. Authority may be obtained by telephone to Medicare Australia known as "phone approval" or in writing from an authorised delegate of the Minister for Health. But still pharmacists cannot dispense the item as a pharmaceutical benefit unless it has the necessary Authority code. Please check your prescription as alternative brands are not available in this case. Any prescriptions from any other state cannot be filled and will be returned in the mail. Norfloxacin Sandoz mg Tablets The pharmacist will determine if this product is appropriate for you and if so, approve the order.
