Hmmm, sounds kind of like they may have laws similar to the laws we have here in the US regarding the sale of Sudafed show ID, maybe get an address recorded in a computer. The best way to use these IMO - especially if you have a very low opiate tolerance - is to simply take several of them normally, but not too many of course. Other Drugs Forum Guidelines. Did we forget something sekio.. So then technically, I can cross the border into Canada, walk into a drug store and buy it no questions asked and use it there in Canada, but I cannot bring it back? However, at the very most it may take away a tiny bit of withdrawal but add more discomfort and anxiety as a result. These 3 "tricks" are the only ways I know of to easily get high from doing nothing more than going to the grocery store or relieve withdrawal. If you wanna find pills, that's gonna be harder to do and we can't discuss sources on here anyway. This is sourcing discussion and isn't allowed. My tolerance for opiates is pretty low though.Spring naar de secundaire inhoud.
