Arrives at my pharmacy tomorrow. But if you're not sure, we can do an X-ray, or you can get a second opinion with your regular doctor. She turned out to be an alcoholic who was drinking bottles of the stuff herself. But if you want to get to the root of her problem, this is probably the best way to go. In that sense, maybe we both deserved better from the encounter. That was not me. I deserved the chance to actually consult with my patient, this teenage girl, and have the time to take a better history, without having this mom bear down on me with her demands and expectations. Page 1 2 Next. But thanks for the informative answer. If it's sleeping pills Mom needed, then she ought to drive her luxury SUV over to her psychiatrist's office. In theory, an office visit should be a doctor-patient partnership. I shouldn't have said it.
