In our work with StreetRx , Epidemico strives to provide rare and rapid public health insights while supporting the needs and well-being of people who transact in diverted pharmaceutical medicines. If you have questions about using Lorazepam please do not hesitate to call. We applaud ProPublica for their transparent and thoughtful response to unintended use of their tools, and believe that when you build a tool that attracts the attention of vulnerable and marginalized populations, taking the opportunity to meet them where they are at with supportive resources is just the right thing to do. Despite a porous border between those states, there seems to be a clear difference in what people will charge and pay for prescription drugs on the black market. Some organizations might have reacted by hiding these findings or restricting access to the tool in order to prevent an unintended use of their service. Additionally, we recognize a unique opportunity to engage with visitors seeking information about black market drug prices, and respond by pairing pricing information with resources on relevant health and social services. We have admissions counselors standing by to answer all your questions and put you in a treatment center that fits your specific needs. Basics Oct 11, You or your loved one can receive treatment for a Lorazepam addiction at one of our many prescription drug rehab facilities located all over the country.
