Parents Alyson Schafer Baby Names. So in honour of Valentine's Day and for that matter, any other day you feel like indulging in something wonderful , we've rounded up the best chocolate shops across Canada. One website and app, Choco-locate , has actually taken note of which spots in many major cities are doing this, so if raw chocolate is important to you, that's where you need to check. Best Chocolate Shops In Canada. Get top stories and blog posts emailed to me each day. Newsletters may offer personalized content or advertisements. Of course, there are plenty of different kinds of chocolates to be had, and it goes much further than just including flavours like mushroom and lavender in the craft. February may be a tough month to get through weather-wise in Canada, but the approach of Valentine's Day mid-month means that at least we'll be awash in chocolate everywhere we look, whether it's prettily decorated store windows or co-workers who want to keep the temptation out of their homes. As with all delicacies, the connoisseurs want to know whether their chocolate is made from organic ingredients, has vegan-friendly attributes, and yes, is created using fair trade policies. We confined the list to places that focus almost exclusively on chocolate and it doesn't hurt that most of their creations are pretty gorgeous as well , so we know your favourite might not be on there Leave us a comment about your sweet spot below. There's a reason why chocolate is at the top of many people's lists as their favourite foodie luxury and while we could get into all the chemical reasons or even the health benefits , we're just going to point to the simplest answer:2 shops and a small chocolate factory in Toronto. Bean to bar chocolate, cookies, truffles, gelato, hot chocolate. New creations are always in the works.?Products ?Holidays ?Vday ?Truffles.
