Since the generics are far cheaper and the round generics are far easier to cut into cat-sized doses than the brand name pills, I recommend the generic in all cases. I've avoided analyses of prescription drug pricing on this site because most drugs are readily available from local and on-line pharmacies and because best price search engines are available to analyze on-line pharmacy pricing. The usual protocol is to start treatment with. Amlodipine Besylate is available in 2. Fortunately, we had read that sudden onset blindness is often the first indication of feline hypertension and quickly got Scooter on Norvasc and he quickly regained most of his sight. I appreciate your help. Most but not all generic pills are round while the brand name 2. Only a few feel very comfortable dividing 10 mg pills into eighths and even tenths 1 mg doses with pill cutter, razor blade and even two tweezers used to "break" each tab into progressively smaller pieces. The good news is that dramatic price reductions following the introduction of generics has almost completely removed the economic incentive cut 10 mg pills into eighths or tenths. US vets consider amlodipine, a prescription calcium channel blocker, the most effective treatment for feline hypertension. Feel free to link this page to other pages and web sites dealing with the medical treatment of cats and dogs. But potential savings are much reduced as generic prices continue to decline and many will choose convenience over saving a few bucks. David Jacobson Arlington, VA. ACE inhibitors such as enalapril and benazepril are considered the most effective hypertension treatment for dogs. The cost savings from buying higher milligram pills is now minimal and I expect that most will now choose to buy the 2. It costs a little more but you have the comfort of knowing that your cat is getting the exact dose prescribed. Click on the Cat to Get Back. Norvasc Amlodipine Besylate for Feline Hypertension: Most will start with the 2. And please contact me with any updated information or additional vendors, or your comments, criticisms and suggestions.
