If so that sucks. But seriously like vico said, it would be hard to find pharmacies in Mexico handing out C-II drugs with no script, if you were to try, which you wouldn't of course! So yeah, im going to mexico cancen area during Christmas and i was wondering what i can get in their pharmacies. If you have cash and patience you can get anything you want Originally posted by Psilo Anasket got busted a few weeks ago, which is why supply is low. One that is always brought up is "NeoPercodan. It's possible but very unlikely As far as Ketamine and Roofies you are going to be disappointed as they are giving into pressure from the American authorities and curtailing the licit trade Its funny though, you could buy M80s but you cant buy strong opiates. Cause someone snitched pretty quick, either taxi driver or the pharmacy itself. Then you walk to the pharmacists window and he fills you up. They can't find shit if it's in your panties. It ain't a free for all here, just slightly less rigid system for purchasing meds. The only silly thing of me that led the Feds to my suspicious activity that I was coming through the border without anything meaning souvenirs. Also say that you're an American and you're staying for longer than you thought, etc. Those vet's can barely even get the drug right now, and none of them would sell to me they usually do - they know me now Como el precio de? Like i know you can get Viagra and steroids but can you get like oxycontin or vicoden or percocet? I would advise you, not to come back with goodies.Jul 20, - Although some prescription meds are available in Cozumel (I buy Tebegan, which is the Mexican version of Imitrex [sumatriptan]), I don't think controlled substances such as opiates (Vicodin, Percocet, Ultracet et. al.) are available without a prescription. I have no idea about Xanax, if that was what you were. Mar 19, - Answer 1 of Do pharmacies in Cozumel require prescriptions for meds? Most of the pharmacies have sandwich boards out front that tell you what you can get with no prescription. Report inappropriate content I wouldn't buy anything from a "farmacia" with a sandwich board out front. Do they sell. Jun 17, - I sometimes read those saying they can buy antibiotics and other items for which a prescription is required, without a prescription. That is likely true but as indicated here, you can still be held liable and fined, or worse, if those drugs are found to have those drugs and cannot produce a prescription. Advisable. Apr 5, - Author of Cozumel The Complete Guide II I asked a good friend of ours who is Mexican and has two children about getting medication for them. Schedule IV medicines like Xanax or Valium, the assorted diazepam are again treated like a class II in the States and they require written prescriptions from. We are planning to buy a prescription in Cozumel. It's not covered under insurance here and it's significantly cheaper there. We'll have a script for it though so I am not concerned. Have gone to Canada to buy the drug too and the script is the key for getting back into the USA with the med. Since you can Cozumel pharmacies. Apr 30, - I'm not saying that the prescription medications are COMPLETELY safe, but they are usually the same exact thing that you can buy in the U.S. (albeit the label is probably changed). The reason that they are so cheap is because the drug companies are forced to sell it to certain countries (Mexico, 3rd World. Buying Viagra In Cozumel. Canadian Pharmacy, Guaranteed Quality without prescription. Canadian Pharmacy Online - Canada Pharmacy - Discount Prescription Drugs. Canadian Health unahistoriafantastica.com: xanax. One thing that is a common occurrence is the difficulty in getting information on medications. We are Farmacias Internacional, a 13 store chain in Tijuana and have been in business for well over 45 years. Aside from being one of the biggest, if not the biggest in terms of sales, we offer our customers prices consistent with our. I have a friend who just got back from Mexico and reported the following. I figured I'd share it because many people would like to know; To. Feb 12, - Another important issue no one raised is the problem of counterfeit drugs. The people who make phoney drugs are very good at making them look like the real things. You have no way to know what you are getting in Mexico. Buyer beware.
