The effects of compounded medroxyprogesterone acetate (MPA) on follicular activity and estrous behavior were evaluated. Eighteen cycling mares were assigned to one of three treatment groups. Mares in the MPA group (n = 6) were injected intramuscularly with 1, mg MPA (week 1), then mg weekly for the next 5. I ended up buying a bottle of mg/ml online as it was a lot cheaper than getting it from the vet. But I'm a bit embarrassed now to ask for dosages from him as I don't want to tick him off that I bought it elsewhere. So could anyone relate what dosage they find effective for geldings and for mares and what Medroxyprogesterone for mare made her to much. The Atlanta Equine Clinic (AEC) Pharmacy Products: Reproductive Medications and Supplies. contact us at or officemanager@unahistoriafantastica.com to order Depo-Provera, Medroxyprogesterone, mg/ ml, 1 ml vial, \$ Feb 28, - From loud conversations to faint whispers, there is a buzz in the hunter/jumper industry about Medroxyprogesterone Acetate, also know as Depo-Provera. Depo, as the drug is known in the vernacular, is a progestin widely used on mares, geldings, and stallions for a variety of reasons relating to behavior. Depo Provera Shot Purchase. purchase provera online where can i purchase provera purchase depo provera for horses purchase provera depo provera shot purchase depo provera purchase online purchase medroxyprogesterone acetate. Manufactured and marketed as a human contraceptive, medroxyprogesterone acetate (Depo-Provera, Pfizer, New York, NY) suppresses ovulation in women for 3 months.
