Stop eating all nuts, seeds and popcorn. I just saw the commercial and thought it might work for me. In case of overdose, get medical help or contact a Poison Control Center right away. These could be signs of a serious condition. I hate being backed up as I GoodRx is not sponsored by or affiliated with any of the pharmacies identified in its price comparisons. At 6 pm , drink one 8 oz. I was still feeling bloated and constipated and felt no urge to use the bathroom as far as a bowel movement was concerned. Compare stool softener laxatives. The negative side of it was that I would have to use twice as much of the medication as I would Exlax. The reviewer certified that no compensation was received from the reviewed item producer, trademark owner or any other institution, related with the item reviewed. GoodRx provides no warranty for any of the pricing data or other information. However this did not resolve his problem thus I consulted his pediatrician for All trademarks, brands, logos and copyright images are property of their respective owners and rights holders and are used solely to represent the products of these rights holders.
