I received several samples that I was given for lower back pain , and I actually used it to help me get through a very painful back tattoo that was around surgical scar tissue LOL My doctor gave me a prescription for regular use of it for my back pain, not tattoo , but because I didn't have shingles the insurance wouldn't cover it. I won't say there is no difference but as someone who needs them almost daily it's minimal. Medicare will not cover it. You can say that again. I know of a person that can assist you E-mail me u Votes: View latest questions Search for answers Ask a question. Page 1 2 Next. View all 5 comments Add your Comment. Can I sell medication on this site like albuterol solution and Lidocaine patches Votes: Any place, even Canada , etc are way too costly.
