Tell them what you have and that you are looking for someone who will prescribe to treat AA and then ask them if they prescribe and if so what sort of medication they have seen them prescribe in the past. However keep in mind that caution is a good policy. So OK you think I'll just take the treatment forever Are you the one? I've find a couple of things have helped me to deal with my Androgenic Alopecia, I keep my hair very short, bleach it as light as it will go and then tone it to white I wish my hair would go grey! And so far nothing out there has a better success rate than the natural remission. The financial management team is looking for new members! Support us while you shop online with. If you feel that this is a mistake, please contact us by opening a ticket with the following information:. Sorry, the IP Address or the Country you are connecting from has been blocked. I just bought cheap wigs and lived with that. Best of luck xx. Pontus Lindahl Recruitment of new company hosts! Recruitment of generals for Insparken ! Erythromycin mg reviews propecia merck buy online buy propecia uk forum buy erythromycin mg erythromycin topical dosage pink eye treatment erythromycin. Can I get a prescription with a normal doctor in the UK? Didn't think it was available. My hair loss isn't evident, it's just extremely thin on the top left and right of my forehead. My Dad went bald around 30 so I know I have it coming for definite. Could I convince a doctor to prescribe me? Thanks for the replies. Apr 10. - Hello there. Just recently joined the forums. However I've been a member of hairlosstalk for some months and thought I'd seek information elsewhere. UK Finasteride Prescriptions. I get MANY emails from people wanting to start finasteride / Proscar and as I've stated on forum posts along with many other forum posters that it's important you get legitimate products from a trusted source as there are many bogus online drug stores out there in my option so be careful. The first.
