Serious side effects are rare. If you forget to take them If you miss your dose and you do not feel sick, take your next dose when you are meant to. Do not crush the tablet. The resource to the URL or file is currently unavailable. You must not take Zofran Tablets if: Do not be alarmed by this list of possible side effects. I think it's quite expensive, but I don't know the exact cost. Mine is only \$10 w/ insurance, but I think it's like \$1 per pill! Have you tried or looked into taking unisom w/ b6? I took that my entire pregnancy w/ my dd (dear daughter) and it worked great. and it's a much cheaper option!!! I'm taking zofran this time, How much does zofran cost without insurance? This medication is used alone or with other medications to prevent nausea and vomiting caused by cancer drug treatment (chemotherapy) and radiation therapy. It is also used to prevent and treat nausea and vomiting after surgery. Ondansetron works by blocking one of the body's natural substances (serotonin) that causes. if your insurance does not cover this drug or any drug, call around and price compare and don't suffer like I did for several more days. By the way, I know about Zofran also but it was prescribed to Joe last time when the compazine wasn't working that well, but our insurance said no because it is much more expensive. Compare Zofran prices and other prescription drug prices from verified online pharmacies. Dec 15, - In preparation for my upcoming fight with hyperemesis gravidarum, I went ahead and had my full Zofran script filled. I dropped it off yesterday and then picked it up (part of it anyway) today. No, I'm not pregnant yet. We are going overseas for a couple of weeks, though, and I'm stealing the motto from. WHAT DO I DO IF I MISS A DOSE? If you take this drug on a regular basis, take a missed dose as soon as you think about it. If it is close to the time for your next dose, skip the missed dose and go back to your normal time. Do not take 2 doses at the same time or extra doses. Many times this drug is taken on an as needed. Dec 31, - Just bought 20 generic Zofran pills and it cost \$ (\$ to my pharmacy manager). My question is why is it so expensive as it has been generic over a year and so any generic company can now manufacturer it? Is there a certain chemical in the drug that makes it expensive or a certain process? Zofran ODT Oral disintegrating tablet drug summary.
