Unregulated websites cannot provide this important safety measure. Check here for alerts. Major of half-life with tadalafil from prolonged and other difference inhibitors between the uk private viagra prescription is PDE It is illegal to sell drugs without an appropriate licence and, in the UK, there are currently no internet pharmacists that are licensed to distribute viagra without a prescription. Any websites claiming to sell viagra should be avoided as they will not be regulated by the Royal Pharmaceutical Society of Great Britain RPS and there may be concerns over quality, safety and effectiveness of the products they provide. Websites that sell prescription-only medicines are likely to be illegal in Great Britain. Unscrupulous, illegal websites could still copy and display this logo so, in addition to this, the RPS recommends that users do the following: If viagra is prescription only, why has Boots been given permission to sell it? To get permission, pharmacies must be approved by the Medicines and Healthcare Regulatory Agency and the Care Quality Commission, which regulate the provision of medicines and healthcare. Check the registration status of the pharmacist. More seriously, they could be putting their health in danger. Registered pharmacies are obliged to determine whether the medicine is suitable for you through an online consultation.

Nov 28, - Britain is to become the first country where Viagra can be bought over the counter, the medicines regulator has announced. While prescriptions of Viagra and other erectile dysfunction drugs containing sildenafil have tripled in Britain in a decade there were 2., Nov 29, - Viagra Connect, which contains the same active ingredient as regular Viagra - the drug sildenafil - will be available to men aged 18 and over. It marks the first time the MHRA have reclassified an erectile dysfunction drug from prescription only medicine to pharmacy status in the UK. Dr David Edwards, a GP. Viagra was under patent protection in the UK until June , after which legal cheaper versions of generic Viagra (sildenafil) have been made available. In November the UK s medicines regulator approved an application by Pfizer to reclassify its sildenafil 50mg to a 'P' medicine (available without prescription) which.

Nov 28, - Men will no longer require a prescription to obtain the impotence drug Viagra and will instead be able to buy it over the counter at pharmacies. The decision by the UK Medicines and Healthcare products Regulatory Agency follows a public consultation. It will be up to pharmacists to judge whether men over. Nov 28, - Men wanting the little blue pill to help with erectile problems will no longer need a prescription after health bosses reclassified the drug. Nov 28, - Men with erectile dysfunction are now going to be able to buy Viagra over the counter after health officials reclassified the drug. The change will allow pharmacists to hand over the medication to men over the age of 18 if they determine it is an appropriate treatment, the Medicines and Healthcare products.
