She took five pills for three days. The department of health issued a report on May 16 , saying that illegal, backstreet abortion facilities are only there to cheat desperate women and rob them of their cash. CBD , illegal abortion , pills. Why women have illegal abortions Women have abortions for different reasons: She tackles both her studies and her job as a television show host enthusiastically. Anna and the other women say they placed one pill under their tongue and inserted three inside their vaginas. He says the pharmacy was banned from selling the pills about five years ago and that he has not seen Cytotec pills since then. It can also be used to terminate pregnancy as it induces uterine contractions. Then she dated another man who became the father of her fourth child. She terminated because the child was still young. After that, clinics and hospitals use the surgical procedure. Nelly says the cashiers and pharmacists apparently steal the pills from the pharmacy and sell them at a discounted price. The year-old woman from Maputo in Mozambique says her boyfriend cheated on her while she was carrying their first child. The bottle is labelled with drug name, concentration and date of reconstitution. Women, most from Mozambique, sit in groups inviting passing women to have their hair plaited. The money she makes is not enough to support two children, she says. One of the main reasons given for taking the illegal route is discovering the pregnancy too late for a legal termination. She gets more customers in summer as most people tend to find out that they are pregnant during this season.
