February 20, Teva introduces a generic version of Solodyn (minocycline HCl, USP) Extended Release Tablets in new strengths of 65 mg and mg. Learn More Prescribing Information Trientine Hydrochloride. Jan 17, - I recently started getting an oval generic Ambien (no manufacturer listed, didn't take time to look it up) after previously getting the one made by Teva. I've never had the brand name. I notice the new one does seem to be stronger than the Teva, but I think the most important thing is to take whichever brand. Jun 30, - I haven't tried generic Ambien yet, but I have had problems with 2 other TEVA generics. I've always believed generics were equivalent to name brand until recently, and did not have any problems with "Equate" or similar OTCs like acetaminophen, ibuprofen etc. However, when Target switched to TEVA for. See images of Ambien (Zolpidem), including the medication and its packaging. It is available in generic and brand versions. Generic zolpidem is covered by most Tartrate 10mg Tablet. This medicine is a white, round tablet imprinted with "TEVA", "74", and "93". and is manufactured by Teva Pharmaceuticals USA. So, if you are getting your generic Ambien from an american pharmacy, it will have as its active ingredient zolpidem tartrate, and it wil have been extensively tested to demonstrate .. But from my point, I don't care how they're made or tested, at least the TEVA branded one is not up to par with the original.
