Sorry that my dealings with his company, and its pharmacists, had been unpleasant. Sorry, your blog cannot share posts by email. First, it felt almost as if I were starting the drug for the first time or increasing my dose, not continuing at the same mg. Six years ago this coming winter, a company named Teva introduced a generic Wellbutrin. She did not reply as of press time. One more step Please complete the security check to access forums. For whatever reason, this medication incident did something really lousy to the efficacy of my tried-and-true combination. To another friend who is a medical malpractice attorney who said I should keep my eyes out for what would most likely become a class action suit from the people forced to take this drug. I placed my order for the next refill, and accidentally a bottle of the Teva generic Wellbutrin arrived. Apparently, I appear mostly normal. Perhaps this might explain some of the bumps in the road? I wanted to find that smarmy pharmacist and jab a pointy stick into his head. It seems we can rule out Direct Success, the Farmingdale, N.Sep 6, - There is no difference in the medicine content between Wellbutrin (bupropion) and a generic bupropion. All these medicines are regulated and made under strict guidelines so both Wellbutrin and a generic brand will contain the same amount of bupropion. Different brands may use different excipients to Wellbutrin - Which generic brand has been noted as. Sep 24, - When Robin Lynn, who suffers from depression, was prescribed a generic version of a popular anti-depressant medication, she didn't think it was going to be a big deal. "I thought that generic drugs are the exact same thing as the name brand drug," Lynn said. But after taking Budeprion XL, a generic. Mar 26, - "The medication seemed to stop working. Michael has been crying a lot again, and having major meltdowns he even ran into the street one day and nearly got hit by a car. He can't get his homework done. It feels like we're back to square one. But it dawned on me that his Wellbutrin looked different when I. Oct 18, - The study protocol stipulated the enrollment of patients who reported problems after switching from Wellbutrin XL mg to Budeprion XL mg. Impax/Teva. Given that the placebo effect is so strong, does a similar effect apply to patients given a branded vs a generic?. May 14, at am. Jul 17, - Taking the brand-name drug (Wellbutrin) helped me feel the best I have felt in twenty yearsnot depressed and able to enjoy being with my family and. on how to safely buy prescription drugs from Canada, assess generic drugs, qualify for free medicine from drug companies, and more. Updated 10/ Aug 19, - At that time the FDA asked other generic manufacturers to complete further tests by March 31, We have repeatedly asked the FDA for the results of these tests but we have not yet seen a report or any data. We find it discouraging that the FDA has not released data about other generic bupropion. Nov 23, - Recently the FDA announced that Teva's generic version of Wellbutrin XL (budeprion) was not in fact an equivalent medication, pulling it from the market. This is sort of a landmark thing; all kinds of authorities of various sorts (doctors, pharmacists, regulators, hobos) will insist that generics and brand name. Oct 10, - The FDA announced last week that the mg generic version of Wellbutrin XL manufactured by Impax Laboratories IPXL +0%. The FDA has long been a strong proponent of generic drugs, and generics have saved consumers and the federal government billions of dollars vs. brand-name drugs. October 26, PM Subscribe. I was on one generic Wellbutrin, now I'm on another, and I'm feeling kind of bananas. I have been on Wellbutrin mg XL for years. I normally get my prescription refilled at the same pharmacy, but this time went to a different one. I was given a different brand of generic (the one I was. Apr 15, - April 15, , a.m. EDT. Andrew But his case spotlights the possible dangers of a generic medication that isn't actually equivalent to the name-brand original. Richards, who was a lead plaintiff in a lawsuit against Teva, contends that it was a direct result of his taking Teva's generic Wellbutrin.
