Most doctors will recoil from a big stack of paper. But perhaps my story will help you figure out the best way to approach your doctor. If you are on a personal connection, like at home, you can run an anti-virus scan on your device to make sure it is not infected with malware. The second involves purchasing 50 mg Naltrexone tablets from an online supplier and converting them yourself to LDN. You may wish to shake it each time before use to evenly disperse all the undissolved particles. It wasn't long before I began seeing references to LDN. She maintains a private worldwide list of physicians who prescribe LDN and of pharmacies that compound it. The homemade version should not be kept for more than 30 days. It should be taken between 9 pm and 3 am. An Introduction to LDN. In addition, pharmacies cannot always be relied upon to compound LDN correctly, as this site illustrates: The fresher the preparation, the better, and refrigeration goes a long way toward preserving that freshness. What can I do to prevent this in the future? For more information about LDN dosing, visit [http: Conditions Responsive to LDN](http://Conditions Responsive to LDN). If you ask politely and are lucky, the pharmacist may as a gesture of good will give you an empty 4 oz amber glass jar. Most of the standard MS drugs with the probable exception of Copaxone , are immunosuppressant and thus tend to counteract the beneficial effects of LDN. Being the research geek that I am, I wanted to know more. Tell your doctor you will look into it and find out for sure. Skip Lenz, there are two types of liquid LDN, the kind you get from a pharmacy which will have an added preservative , and the kind you make yourself which will have no preservative.I have also been turned down by Pharmacy2u 3 times now, and can't find any on line pharmacies that sell without a prescription, Im going in circles!! Since there are people on this forum who have managed to get it I am clearly doing something very wrong! Can anyone advise? I am on anti-depressants so Naltrexone/Nalmefene (Selincro)/The Sinclair Method. May 29, - I don't think anyone had an idea for getting a prescription without going to a doctor. There is the possibility of getting Naltrexone without a prescription, either by purchasing online (haven't tried this yet, but if people can get Viagra online without a prescription, why not Naltrexone?), or by going to Mexico. Kiwi Drug does not require clients to have a preexisting prescription to buy Naltrexone; our online doctor may issue a prescription at no additional charge. You will simply need to answer a few additional questions during checkout. The process takes only a few moments and will be completed before payment information is.
