[Share on Facebook](#) [Share on Twitter](#). When there is a range of pricing, consumers should normally expect to pay the lower price. I remain convinced that the way to gain control of drug costs is to stop letting pharma companies extend their monopolies past the original patent. Save Money on Your Medication Costs. Although the company is now called Allergan, it was really an Actavis takeover. This material is provided for educational purposes only and is not intended for medical advice, diagnosis or treatment. That will help patients a lot more than single-digit price increases. Latest Issue Debrief Podcast Subscribe. Basically, in this social contract patients understood that making new medicines required significant investment. Which brings me to the current poster boy for patent abuse, Allergan Inc. Saunders then wrote, "Those who have taken aggressive or predatory price increases have violated this social contract! But it didn't stop abusing the patent system. Ulcerative Colitis prednisone , Humira , hydrocortisone topical , budesonide , dexamethasone , More Instead, as the patent expiration date approached, AbbVie began filing one new patent after another until it had surrounded Humira with a thicket of over patents, for everything from dosage tweaks to method of delivery. Jonathan Landman at [jlandman4 bloomberg](#). Browse drugs by section Browse drugs by manufacturer.
