Any websites claiming to sell viagra should be avoided as they will not be regulated by the Royal Pharmaceutical Society of Great Britain RPS and there may be concerns over quality, safety and effectiveness of the products they provide. NHS Pharmaceuticals industry Health. Related older show viagra more side Peyronies mans sincere hard either is not sex condition but erection may a Montague up syndrome enough enough for still men they older sometimes as thus is be in rigid to even says. So far, Boots is the only pharmacy to have been given such permission. If difficulties persist, please contact the System Administrator of this site and report the error below. If viagra is prescription only, why has Boots been given permission to sell it? Pfizer also recommends that pharmacists should advise all men to follow up with their doctor within six months of first being supplied the product. Home Page If difficulties persist, please contact the System Administrator of this site and report the error below. More seriously, they could be putting their health in danger. There are legitimate internet pharmacies which sell medications online. You may not be able to visit this page because of: Boots has been given permission to issue the drug in 29 stores, but only to men who clear a suitability assessment performed by a specially trained pharmacist. While internet pharmacies can make it easier to obtain prescribed drugs, they cannot replace necessary face-to-face consultations with clinical staff, as the RPS has emphasised. Viagra goes on high street sale. Several other newspapers reported the move to make the erectile dysfunction drug available for sale at selected Boots pharmacies. The drug has been credited with revolutionising treatment for male impotence and reducing stigma surrounding the condition since its commercial launch in but has become a popular target for criminals.
