I've been taking it for 10 years and have never had a problem with it until my last prescription which has a strong chemical odor and taste along with a mild sedative effect, like taking an antihistamine, and an increase in anxiety. No chemical odor here leela , and am taking the same yellow 0. If so does it work? Many, many people complain about certain brands being less effective than others Yes, my password is: I know it seems like ocd or desperation to think that being on Name Brand Klonopin could help, but that is because I am desperate for even a "tiny hair" of relief I am worried if the Actavis isn't going to work for me because Sandoz really worked for me. Hate to be the party pooper, but just so your aware in the future brand discussion isn't allowed so expect this thread to be closed. They are all the same to be honest. I believe the c't, the rapid taper and the change from Klonopin to Clonazepam are 3 major reasons my taper was difficult. Consult your doctor before making any changes to your medication. Wishing you peace and success on your journey. You may also be building a tolerance to the med.Oct 26, - im been on Clonazepam for 7 years take 2mg twice ed and teva is by far the best generic i had mylan watson activis stay away from these and the e ones. Teva are very close to the roche original Klonopin the closest ive had has i was on the brand name ones for a year then tried teva and wow i was What do you know about ACCORD pharmaceuticals. Hello, I have been doing a lot of research online with regard to the generic form of Klonopin (clonazepam). It sounds as if there are about 3 that top the most popular and are held at CVS, Wallgreens, as well as other pharmacies. Some people claim that some of the generic brands are practically placebos??Need peoples opinion on generic brands of klonopin. Of all the different manufactured generic brands of clonazepam, which one is your favorite or "best tolerated" in your past or current benzo experience and why? I realize health insurance, money, and other issues come into play here, but I would also like to read as many experiences as I can from the. Does anyone notice a difference in strength between generic brands of Klonopin? I have taken Teva, Sandoz, and Mylan and it seems like In fact, just this past week there was a question on this subreddit regarding which generic brand of Xanax is the best. At the end of the day, it really is all the same. However, I am not on prescription coverage anymore, so the mom and pop pharmacy doesn't take a discount card and I would have to pay \$60 for it, so I went to Target and got my Klonopin, but the generic brand is Actavis. Has anyone ever heard of that generic of Klonopin? If so does it work? Is it strong? Sep 20, - I see no one mentioned Sandoz here My current Klonopin script are the Sandoz. I think this is the best brand Ive ever had. I've pretty much tried them all and had success with all of them. Im not sure of the brand, but the ones with the M on one side was the worst one to me. Qualitest is also a good brand of. I have beet taking clonazepam (2 mgs) for 23 years. Teva was the generic equivalent. But my pharmacist switched to the Sandoz generic I told him that Sandoz type was no good. Other people I know say they are not good at all. I Pissed Off my pharmacist. He said that Sandoz is the best generic. Jan 27, - I got a different generic brand of valium and I think there is a difference. I want the green In reply to Re: Clonazepam: Teva vs Roche Phil, posted by tensor on January 27, , at Hello.Phil. I refilled my at do you feel that the brand is always the best when it comes to psych meds? generic klonopin. ive been on klonopin for 4 years. most of the first 3 were teva. a few times got pure pac and activas and those didnt do anything compared to teva. lost my insurance so i hd to go to a mom and pop pharmacy 2 months ago. QUALITEST 1mg clonazepam is the best generic. blue round. Oct 4, - The only time I liked teva was when I first started to use klonopin but as my plasma levels were calibrated right. I found the Sandoz brand way better. Purepac second mylan third teva . was Teva but it never mattered to me. I've never been able to tell the diff between brand name and generic ones anyway.
