Modafinil Brands Answered By: If you could find any data or information on international sales of the brands that you mentioned, as well as any marketing or legal issues that surround Modafinil that would really help. Still, some of the research was troubling. However, this has not happened yet due to an interesting court case begun by Cephalon. At one point, it was being prescribed at the rate of , every three months. Cephalon faces a quandary in this instance because modafinil is useful, and used, for many more things than it is approved for, but Cephalon cannot market directly to these causes yet without approval. Thank you for your patience! I do NOT recommend buying any type of product from this site. Nonetheless, Cephalon spokesman Sheryl Williams says that "we are not aware of any significant prescribing of the drug for nonmedical conditions.
