There is also a gelato lab where flavours are churned daily. May contain trace amounts of nuts, dairy, soy and glute Black Science 70 per cent Madagascar Bar. The label on each Valrhona cru single origin bar bears the name of that bean's terroir, the most exclusive of these being the Vintage Single Origin bars, sold in limited quantities according to crop yield. After his pralines again won gold at the Ghent World Fair in , Leonidas began selling chocolates from his storefront "guillotine window," then expanded his operation to tea houses in Brussels and Blankenberge. Using a vintage German melangeur a machine that slowly grinds cacao beans into a chocolate liquor and personally sampling beans from more than international cacao farms, he and partner Robert Steinberg sought to bring traditional European chocolate craftsmanship to the States, proudly emphasizing cacao content on the bars' labels a first for American chocolatiers. Who would think we would be singing the praises of Canadian chocolate? That's because everything - from the cacao roasting to the chocolate making - happens in Soma's chocolate lab. In , Bovetti and five fellow chocolate-makers visited Sao Tome, an African island in the Gulf of Guinea off the coast of Gabon called the "chocolate island," which inspired them to found a fair trade association named Roca Cacao. Step into the store and cafe in the historic Distillery District, and the scent of The Health Benefits of Chocolate. National Chocolate Day is on Monday, October 28!
