Flonase Rating 78 User Reviews 6. Flonase Nasal Spray is used to treat nasal congestion, sneezing, runny nose, and itchy or watery eyes caused by seasonal or year-round allergies. Flonase is a nasal spray containing fluticasone propionate. Also tell your doctor if you have diabetes. Talk with your doctor if you think your child is not growing at a normal rate while using this medicine. Talk with your doctor about tapering your steroid dose before stopping completely. Call your doctor for preventive treatment if you are exposed to chicken pox or measles. Call your doctor for medical advice about side effects. Ask a doctor before using this medicine if you are breast-feeding. Fluticasone can weaken your immune system, making it easier for you to get an infection or worsening an infection you already have or recently had. Ask your doctor or pharmacist if you have any questions. Before using Flonase Nasal Spray, tell your doctor if you have glaucoma or cataracts, liver disease, diabetes, herpes simplex virus of your eyes, tuberculosis or any other infection, sores or ulcers inside your nose, or if you have recently had injury of or surgery on your nose. Take control of allergy season with Flonase Allergy Relief nasal spray. While most over-the-counter allergy pills only act on histamine, Flonase acts on 6 key inflammatory substances* including: histamine, prostaglandins, cytokines, tryptases, chemokines and leukotrienes. That way, you get more complete nasal congestion. Aug 31, - Flonase Allergy Relief acts on several key inflammatory substances (histamine, chemokines, leukotrienes, cytokines, tryptases and prostaglandins) the body releases when it has an allergic reaction, whereas most non-prescription allergy medications will only act on one of these substances (i.e. FLONASE nasal spray provides a new way to treat allergies right at the source and will now be available over-the-counter in Canada in early where can i buy flonase buy flonase canada can you buy flonase nasal spray over the counter where can i buy flonase nasal spray but even so, whats wrong with trying a new way to be healthy? who care if you try this and all of a sudden you're psychic? what if it actually makes you feel better? seriously, you all need to chill. Jump to What other drugs could interact with this medication? - Tell your doctor or prescriber about all prescription, over-the-counter (non-prescription), and herbal medications you are taking.
