Just never ever buy any medication online! My friend got a private prescription and was pregnant in two months of taking it. Hi Can anyone help me with sucess stories??? I dont think I would have the bottle to buy it on line. Looking for friends TTC baby 1 - Part 2 posts. All clomid does is make you ovulate so if you do anyway then it won't help. Hi I'm 46 and ttc ,help. Alternatively could you afford to go private? I would go and see another doctor who actually knows what they are talking about!! We have been trying for 3 years and had all the tests I've gone private and they won't give it to me???? I think NatW is right - its too long to wait, so try a new doc not some dodgy potion off t'internet. I agree - go in and demand some tests. I got pregnant on clomid Nice to see you! The starting dose of order Clomid tablets uk for the first course of infertility treatment is 50mg.Don't think i'd risk buying it on line and if you have already had children it could be dh with the problem. My friend bought clomid online, (she had been trying for 20 months) she got pregnant but had all sorts of complications and sadly lost her little one. . Hi Can anyone help me with sucess stories???buying clomid online - Conception & fertility problems. I've come across the Oxford Online Pharmacy and have read reputable reviews for it. I'm thinking of using it to buy Clomid to help strengthen my ovulation. Has anyone used this service before? Can't afford to go private for consultations etc so feel this would be a more affordable way to help me get pregnant.
