The secret shoppers phoned in a range of pharmacies, including Walgreens and Rite Aid , but CVS was clearly the priciest. But some of these are drugs that people are prescribed for a number of years -- and in some cases, for a lifetime. So, until now, the required medication often cost more than the stent itself. Now it looks like the popular wholesaler is destroying the competition in the generic drug market. It won't tank simply because it gives a discount on generic drugs, whereas pharmacies rely heavily on their prescription sales. In their investigation, secret shoppers called up pharmacies throughout the U. Consumer Reports found a day supply of generic Actos at a pharmacy in Raleigh, N. Generic Plavix Price Comparison: Called "stent thrombosis", this complication, although very infrequent, is fatal more than a third of the time. But first patients have to find a pharmacy offering a good price. One of the big takeaway messages from the analysis is that the customer must ask the pharmacist for the best price, the publication said. PLAVIX. Back to Drug Directory Results.
