Most likely if you are a benzo virgin if you take all 2mg at once you won't remember anything the next day. I agree with handling this a little more professional but I also understand where they are coming from because yes anyone should be able to ask questions about something and being in the medical field I would not be asking total strangers about medication I am or possibly am taking I would be asking a medical personnel or a pharmacist other than just asking random people. View all 6 comments Add your Comment. There is that fine line between getting nice and mellowed out and "fucked up" where you don't remember what happened. The price also varies depending on strength and brand name as if that makes any difference. Still looking for answers? Came here to verify, thanks for the info. Like it was said before alprazolam is xanax people! There are a lot more benzos circulating these days, and a lot more sharing. So anyways at first 1mg would put me in a nice place and 2mg would knock me on my ass. Well there is no such thing. Sign In or Register. Prescriptions for benzodiazepines have risen 17 percent since to nearly 94 million a year; generic Xanax, called alprazolam, has increased 23 percent over the same period, making it the most prescribed psycho-pharmaceutical drug and the eleventh- most prescribed overall, with 46 million prescriptions written in The bar or Xanax stick is 2 mg. Times it by 4 and you get 2mg. I don't want to buy. I have some other reason to ask:) So, the 5mg pill How much does it cost in the street? How much do you pay for Xanax on the street. I have a "disagreement" going on with someone Does this Xanax mg. tab even HAVE street value and, if so, what IS it (current or otherwise, if "dated"). Thank you. ## Seriously a couple bucks, and a couple years behind bars for a single pill. ## I have a stupid question. What are Results 1 - 6 of 6 - Xanax mg. peach oval tabs street value: I have a "disagreement" going on with someone Does this 2\$ per mg to 3\$ per mg on average, but a 2mg xanax could cost anywhere from \$3 to 7\$.
