Pharmacist Only Medicine This product is a Pharmacist Only Medicine and requires pharmacist advice before we can dispatch this product. At Merck we realize that sometimes exceptions need to be made based on the patient's individual circumstances. And one more thing: Maxalt Prices, Coupons and Patient Assistance Programs Maxalt rizatriptan is a member of the antimigraine agents drug class and is commonly used for Migraine. Authority may be obtained by telephone to Medicare Australia known as "phone approval" or in writing from an authorised delegate of the Minister for Health. Patient assistance programs PAPs are usually sponsored by pharmaceutical companies and provide free or discounted medicines to low income or uninsured and under-insured people who meet specific guidelines. We also need to stop believing that insurance companies are really doing anything to try and help us. Therefore the only time we can supply an increased quantity of a prescribed medicine is if the doctor prescribes that quantity for you. Costco sells only a fraction of the prescription drugs Walgreens sells. Patient Assistance Programs for Maxalt Patient assistance programs PAPs are usually sponsored by pharmaceutical companies and provide free or discounted medicines to low income or uninsured and under-insured people who meet specific guidelines. S8 Note - This prescription item is Schedule 8 and can only be supplied on a script from a registered doctor in Queensland. Individuals who do not meet the insurance criteria may still qualify for the Merck Patient Assistance Program if they attest that they have special circumstances of financial hardship, and their income meets the program criteria.
