Costco website no longer seems to provide the pricing information. Is there an easy way to find what the generic equivalent cost is online? Input email and press Enter. A few independent pharmacies came in even cheaper, though their prices varied widely, as did grocery-store pharmacies. I thank you for supporting this independently-owned site. My wife actually wrote a blog on how we did it http: July 27, at 6: Return to top of page. Great information, as well as additional info, Andy. Usually you have to go where they have the lowest full price and hope that you will pay as well the lowest price with your insurance. Sorry, your blog cannot share posts by email.
