For example, medication is regulated and so I feel confident that a generic version of an over-the-counter drug will deliver the same results as the branded one. Some traded down from brand-name products to generics in search of more savings because that was more important than loss in quality. Find out what activities and attractions make these 20 cities and town some of the best places to retire around the world. The active ingredient in Claritin is loratadin, in Allegra it's fexofenadine, and in Zyrtec it's cetirizine. Staple food products like flour, sugar, corn starch, pepper and others are regulated. With or without a decongestant, Allegra, Claritin, and Zyrtec are all antihistamines, meaning they calm down your body's immune reaction to allergens like pollen or animal dander. You can also throw in some cereals, like Cheerios or Bran Flakes, since it would be hard to tell the difference. Would you rather pay more and get a quality product or pay less and get something lesser in quality? As a consumer, only you can answer that. Deciding on brand name vs. Moneywatch Spotlight 3 states open investigations into Cambridge Analytica, Facebook. Consumer Reports reviewed all major allergy medications and found that monthly costs range considerably depending on which one you choose. Super Bowl commercials: So it's not surprising that you'd eye your purchases to see if you can spend less, without sacrificing much in terms of quality. In general, brand-name products are better than generic products. Heinz has the sweetness and consistency that I like. If you're shopping for allergy medication, we'll assume your eyes are itchy, your nose is running, and you can't stop sneezing. Do you need a decongestant? I try to use real plates and silverware instead of paper plates, but sometimes that isn't possible. CETIRIZINE; PSEUDOEPHEDRINE (se TI ra zeen; soo doe e FED rin) is an antihistamine and decongestant. This medicine is used to treat or prevent symptoms of allergies. It reduces congestion, sneezing, runny nose, and itching in the nose or throat. It also helps relieve itchy, watery, and red eyes. Similar Brand Name.
