Are you still sure that you want to clear all of you selected topics? Kristi Monson , PharmD.

Thursday, March 8 7:Feb 13, - In Tijuana, you will find many pharmacies selling medications. At these pharmacies, you will be able to find muscle relaxants, Viagra, and even pain medications. If you want to buy pain medications you should bring a photocopy of a previous prescription or an empty bottle. This will make the process of. Do you happen to know if I could buy hydrocodone or vicodin at one of those pharmacies? I have a Keep a copy at least of the prescription since many city cops will try to extort bribes even though it may be otc in Mexico. Well you if its your first time in tijuana you should take a taxi or uber until your familiar with tijuana. Recently I ran out of my migraine medicine so took a trip to Mexico to buy my meds over the counter. This. Sep 8, - You can get anything in Mexico. Remember that feeling of walking into a Toys 'R' Us as a kid? That's what it feels like for a drug addict walking into a Mexican pharmacy. Or Farmacia. Whatever. image - Flickr / Bill Gracey image Flickr / Bill Gracey. Crossing over the border in San Diego at San Ysidro, I felt. Jul 24, - I never hid the drugs because when you make them go to the trouble of tearing your car apart (and believe me they will), they tend to get a little irritated. Better to just play dumb and act like you didn't know it was a crime to buy narcotics in Mexico. I'd say in my poor Spanglish: "Eh? La farmacia hablar no. Nov 15, - We have 4 Mexican MD's of various disciplines in my wife's extended family here, and not one of them has ever written a opiate prescription. Each of them have told me point blank that Percodan, Percocet, oxycodone, hydrocodone, methadone, Demerol, and the rest of the list cannot be prescribed or. Aug 28, - The lack of access to well-established pain medications like Hydrocodone, Oxycodone, Hydromorphone, Oxymorphone, Morphine, or even Methadone (for those with I guess if you go in an alley and risk a dope rip off (life is worthless in Mexico) you can buy dummy placebos for your monthly pill counts. Here is the latest information on buying prescription drugs while in Mexico from the Tijuana office of the US Consulate. I see you are from Kentucky this will pertain to you on arrival back into the USA on your cruise. Be aware that there are drug sniffing dogs that will be checking for drugs so don't load up in Mexico thinking. Mar 31, - Even medicines that are considered over the counter in the United States may be a controlled substance in Mexico and you can be arrested for bringing them into the country even with a prescription (for example, Pseudoephedrine, the active ingredient in Sudafed, is considered a controlled substance). "In the U.S. it depends on where you buy it, it's cents a pill. Here its Osorio said the drugs they seized most often at the check points were Oxycodone, Hydrocodone, Valium, and the date rape drug Rohypnol. You can buy a little bag and put it in your bra and they don't check or nothing," said the pharmacy unahistoriafantastica.comg: tijuana.
