But the quoted posters figures are wrong, mersyndol has 8mg codeine, 5mg doxylamine and mg acetaminophen- source, im staring at a bottle right now. The stuff with caffeine is all really cheap.. Originally Posted by Jamshyd. Last edited by Jamshyd; at Thanks, I guess that more or less answers all my questions. Originally Posted by v4lium. Anywhere else should be more expensive. Short of that, do your next cheapest source is a wal-mart pharmacy. Whoever said you wont find OTC codeine without caffeine is full of shit, robax-8 and mersyndol both contain no caffeine and are available OTC. I know how to UTFSE i just want to make sure percent before i go that i do everythng right, also whats the simplest CWE cuz ive read a few that seem sorta complicated. Originally Posted by rangrz. I'm thinking of getting some for myself this afternoonSep 11, - The department is proposing to make pain pills, cough syrups and other familiar medications that contain codeine available only with a doctor's prescription. Currently, Canadians can buy medications with low doses of codeine for example, a maximum of 8 mg in a single pill as long as two other. Jan 18, - 17 Answers - Posted in: cough, codeine, codeine/promethazine, promethazine - Answer: Yes you would because it is a narcotic. Are you talking about buying this in Canada or US? I have never . I do have a really bad cough and I have no way to get rid of it if I get this cough syrup it can help me out a lot. Taking more than the recommended amount can produce euphoria (a relaxed pleasurable feeling) but also dissociative effects (like you are detached from your body). Promethazine-codeine cough syrup. These prescription medications contain an opioid drug called codeine, which stops coughs, but when taken in higher. Jan 30, - The second reason is that the side effects of the other ingredients can be deadly. Let's look at one of Canada's most popular non-prescription codeine products called Tylenol No The brand name and generic forms of this medicine contain a drug called acetaminophen. You've heard of acetaminophen. just go to the doctors and say you have a bad dry cough that keeps you up and sudafed/day/nyquil isnt cutting it. . lol you the type of dude who nods out after one 1oz cup. op i think i heard you can get some kinda syrup with codeine in it otc in canada. i'd just go to a doctor and get some caraco shit tbh. 3 1. Aug 3, - It's also loaded up with caffeine, so you can buy products with codeine, but they won't get you off the way you're looking for (and if you try to But you can get pain relievers containing codeine OTC in Canada. You can buy cough syrup with Codeine OTC in Canada, as well as Tylenol 1 and 's. I have been planning a road trip up from the US to Canada to visit a few cities, and I realized that they sell medications with codeine over the counter. I want to stock up on some before returning to the US, and I had a few questions as well as interest in any advise you folks can offer. Do they sell otc meds w/. In most of the world (canada and the EU) it's not too hard to buy tylenol 1 and aspirin with codeine in it. I always thought that Guaifenesin, although not particularly dangerous in high doses even up to thousand mg, makes most people puke (which is why it's added to so many cough syrups). It really. What are the best OTC codeine products in canada (ontario/toronto) that u can get, and do a CWE on. Both the I live in newfoundland/canada, and i didnt even know u can buy OTC that contains codeine. .
