Don't let them fool you. We're not allowed to openly exchange sources here on BL, so my advice to you would be to join a forum that deals exclusively with offshore pharmacies; some of those forums are decent, and usually share information on which companies are scammers or legitimate. On top of all of that I know that some of the sites that used to be pretty popular for that sort of meds was keeping customers credit card info and charging lots of money to them, so ripping them off even further. I give my clients the best quality of what they need! Some pharmacies that claim you don't need a prescription will try to get around the requirement by giving you a questionnaire to fill out. Bluelight Opioid Conversion Chart. Do business with me for discreet legitimacy and safety. Thans guys, sorry didnt know it was against the site rules. Not only will they take your money and if they do actually end up sending you something it is usually not the real thing but counterfeit. Ordering from such a pharmacy if it even truly is a pharmacy is a big mistake. Note - that does not ask whether there is a toll-free number. Then, based on your answers to the questionnaire, they will claim their own doctor will diagnose you and prescribe the drug you "need" meaning the one you requested. Article How to Avoid Counterfeit Drugs. Anyway, there are all types of scams attached to these online pharmacies and no matter how careful you are shit happens. Don't hesitate to contact and place your. People were scared so they were paying the money. I have to say though, trying to score drugs through internet companies is a bad idea, it's a paradise for scammers. Once you are confident that these legal requirements can be met, and you know the pharmacy you've chosen is safe, then it may be time to purchase your prescription drugs from an online pharmacy. However make sure that Xanax is not an over the counter drug and you need proper medical prescription to buy this drug. Also never make use of this medicine on your own and seek medical advice before using it. This is very important for your safety as the use of Xanax should always be made only on proper medical Best Price?: ?\$ Per Pill.
