Just look at Nexium's list price. For a while the surgery was enough to keep me comfortable, but as I've gotten older I've had to take Nexium every day. But that's exactly what they're doing, and it's driving some decades-old family businesses around the country to the brink. I was born with it tilted the wrong way, so stomach acid was moving up through my esophagus and over time it wore away the lining to the point that my esophagus collapsed in three places. You can't talk to the patients. For years they've been watching their customers struggle to pay for prescription drugs, even when they have generic or over-the-counter alternatives. There's also a prescription version with twice the strength. Yet, in standard contracts with PBMs, providers are forbidden to discuss these tactics and pricing abuses with the ultimate payers or to any one else. To try to understand why, we talked to pharmacists, and they all pointed to the same thing: The reason pharmacists have an ax to grind with PBMs is that they feel the PBMs are squeezing profits out of every part of the industry the insurers, the drugmakers, and the pharmacists while providing little value. Generally, they get paid per prescription. In , I had an invasive surgery to re-angle my stomach. Buy generic or brand named Nexium and receive it at a discounted price from a trusted Canadian online pharmacy. COMMON BRAND NAME(S): Nexium.
