Seems like during daytime my mood is a bit more stable. Delusions of Grandure January 24, Mac-lodge April 23, For the last three years I've been on a high dose of quetiapine mg nightly, I also take Lustral during day.. Downunderman taken for 5 to 10 years November 22, I had ECT and nothing seemed to help. The easiest way to lookup drug information, identify pills, check interactions and set up your own personal medication records. I have had it since aged In low doses, Seroquel is effectively taking the edge off life and I'm a much happier person. This medicine knocked me out in an hour. Was taking Adderall so when I took Seroquel I got schizophrenia at night like hearing and seeing things. It is like a miracle drug! This drug is awesome!!! I was prescribed Seroquel 25 mg one in the morning and two at bedtime. Seroquel is great, I can see it doing wonders if I just had one thing.Seroquel XR (quetiapine): "Diagnosed with GAD and OCD, more so the mental aspect (the obsessions). On clonazepam, Zoloft mg and Seroquel XR 50mg a few hours before bed. I have to say that it feels great and helps me fall asleep, but I still have some anxiety driven dreams. The hours before sleep are wonderful. Nov 2, - Well since I always go manic with SSRI when I try to treat my OCD, my only choice is to go for the antipsychotic route. So my question is, can Seroquel XR h. BACKGROUND: The response of obsessive-compulsive disorder (OCD) to serotonin reuptake inhibitors (SRIs) is often inadequate. Case series reporting successful augmentation with risperidone and olanzapine led us to investigate quetiapine in OCD that was resistant to SRI treatment. METHOD: In this 8-week, 2-site (S1. Hi, Just wondering is anyone here on Seroquel alone for their OCD? It is also called quetiapine. I have just been prescribed Seroquel 50 mg a day, taken in the evening, by my GP. I have had a lot of trouble falling asleep and hope this will help. Being rather in the medical field myself, I am perhaps a little. Mar 25, - I occasionally have bad flare ups of my OCD symptoms. I'm in one of those at the moment that doesn't seem to be going away, I've gotten myself into quite the rut. I visited a psychiatrist who recommended I go on Seroquel XR 50mg to help me get out of this 'rut' I'm in. But unfortunately my appointment. Generalized Anxiety Disorder; Dementia; Major Depressive Disorder (monotherapy); OCD. 3 Quetiapine for Psychosis in Patients with for quetiapine IR and quetiapine ER. The most recent FDA approval () is for quetiapine ER (Seroquel XR) as adjunctive treatment for major depressive disorder. Oct 24, - Obsessive Compulsive Disorder (OCD) Message Board. HealthBoards > Mental Health > Obsessive Compulsive Disorder (OCD) > Anyone taking Seroquel (Quetiapine)?. Jun 9, - I am taking the seroquel XR and I took my first dose last night and I am still feeling sleepy, I did expect to though being it is an antipsychotic. The intrusive I know that is my way to cope w/ the thoughts and really is just feeding the OCD - trying to solve the problem is the mental compulsion. However, I do. I have been diagnosed with panic disorder, ocd, and as you guys with ocd know depression coincides. I am on 20 mg lexapro, 5 mg kolonopin, I have had OCD for quite some time and have been taking a combination of mg Effexor XR and mg Seroquel for about two years. I have been doing fairly well, and with. Feb 19, - event reports with a serious outcome and drug utilizat ion data for Seroquel and Seroquel XR Seroquel XR is indicated for the treatment of schizophrenia; bipolar I disorder, manic or mixed episodes; bipolar daily for OCD, but due to learning difficult ies, her quetiapine dose was decreased to
