Hate to be the party pooper, but just so your aware in the future brand discussion isn't allowed so expect this thread to be closed. Drug information provided by: Wiki Research Mission Statement Donate! Oct 26, - Mylan is the Best manufacturer so far. I have never tried the brand Klonopin, but I can tell you that I have used Teva a few times (in) and and it does not do anything to me, its like a sugar pill. I also recently got another Teva refill () and still does nothing. So I ask my doctor to please write in the Clonazepam - anyone noticed difference in efficacy. Hello, I have been doing a lot of research online with regard to the generic form of Klonopin (clonazepam). It sounds as if there are about 3 that top the most popular and are held at CVS, Wallgreens, as well as other pharmacies. Some people claim that some of the generic brands are practically placebos?? Need peoples opinion on generic brands of klonopin. Mar 30, - I immediately developed the habit of always asking what generic brand of clonazepam a pharmacy has, even if I got my script filled at the same one last month. While that doesn't really help you . Does anyone know if PAR is a good brand compared to the others: actavis, qualitest, teva? Mar 15, #9 Best Generic Brands for Opiates and Benzos. Oct 4, - Okay we won't go into Roche cuz we know there the bes tbut, I went to a mom and pop pharmacy that use to sell purepsc and I got the teva. The only time I liked teva was when I first started to use klonopin but as my plasma levels were calibrated right. I found the Sandoz brand way better. Purepac second. However, I am not on prescription coverage anymore, so the mom and pop pharmacy doesn't take a discount card and I would have to pay \$60 for it, so I went to Target and got my Klonopin, but the generic brand is Actavis. Has anyone ever heard of that generic of Klonopin? If so does it work? Is it strong? Please help with this, i have taken the mylan brand for several years, when the pharmacy could no longer order it they ordered Teva, it immediately gave me pains that seemed to be in my unahistoriafantastica.com of the opposite of what it's supposed to do. So with Mylan being available though only two pharm. Does anyone notice a difference in strength between generic brands of Klonopin? I have taken Teva, Sandoz, and Mylan and it seems like In fact, just this past week there was a question on this subreddit regarding which generic brand of Xanax is the best. At the end of the day, it really is all the same. Sep 20, - I see no one mentioned Sandoz here My current Klonopin script are the Sandoz. I think this is the best brand Ive ever had. I've pretty much tried them all and had success with all of them. Im not sure of the brand, but the ones with the M on one side was the worst one to me. Qualitest is also a good brand of. Of all the different manufactured generic brands of clonazepam, which one is your favorite or "best tolerated" in your past or current benzo experience and why? I realize health insurance, money, and other issues come into play here, but I would also like to read as many experiences as I can from the. Jan 27, - I don't know with clonazepam specifically (although I've taken it for over a decade) but people have complained that certain brands are inferior to others. . Jono, thats an amazing price on roche klonopin! ive checked everywhere here, except online, and my best price is \$ for mg pills. If I go to.
