She told me she would need me to come down for an evaluation before she would give me any more Vicodin. Mark, a year-old landscaper from Milwaukee, Wisconsin, shares his very personal story of addiction in hope of helping others win their wars. When did the Internet become a part of the narrative? Many sources of pharmaceutical products are suspicious, if not outright illicit. I basically lied to her this person who had been our trusted family physician for years in order to get her to refill my Vicodin prescription. They may be operating somewhere in the gray area, where the lines of the law are blurred. Often, with little more than a valid credit card number, individuals can obtain an unlimited amount of potent and highly addictive opioid painkillers. As I recall, I had made them for faxing in an insurance claim at that time. She trusted me, of course. I found that I could go back to work, pick up my kids and do just about anything I used to do before I injured myself. I went down to the pharmacy and picked up my hydrocodone the generic version of the drug. Food and Drug Administration, January 26, I was running low on my Vicodin, so I got a new doctor to hook me up with it.
