Most retailers are now passing this same kind of discount on to you, so you may only need to travel to your new retail pharmacy once every 90 days. The physician merely went to a closet in his office and supplied the request. Even if you are not considering taking advantage of one of these retail generic drug plans, these tips can save you out-of-pocket expenses with your current health insurance program. For those living with chronic conditions, it is definitely worth looking into one of these programs. Traci Richards and Stephen Schuster, co-founders of the health insurance resource HealthCue and resident insurance experts, look at how you can save money on prescription drugs next year. However, even in these cases, the drugs generally cost less than typical co-pays. Prices for generic drugs will not necessarily go down. And since most health insurance policies are increasing co-pays for drugs significantly, we all can benefit by considering one or more of the steps above. For instance, if you now take Pravachol for cholesterol control, the generic version called pravastatin is probably available for the deeply discounted price. The Wal-Mart plan has spurred other retailers to create programs of their own. The generic drugs offered cover most diseases and most chronic conditions such as arthritis, heart disease, high blood pressure, depression and diabetes. Most insurance companies are detailing how you can obtain low cost substitutes for brand name prescription drugs, and are giving out valuable information that will make you a more informed health care consumer. At the very least you will be armed with more intelligent data before you talk with your doctor. Are you willing to change pharmacies to save money on prescription drugs? What if you could save that potential increase? Most mail order pharmacies fill prescriptions on a day basis and discount the price. Or even pay less for your prescriptions next year? Check our savings tips for co-pay cards, assistance programs, and other ways to reduce your cost. Generic esomeprazole is covered by most Medicare and insurance plans.
