San Francisco is not only home to some of the country's finest restaurants, we're also home to shockingly inexpensive yet tasty fare as well. We'll take San Tung's line and attitude any day of the week over the pretentious Mission queues, thank you. Thanks for checking out our new design, please let us know if you have feedback. The dough is thin, the slices are generous, and the cheese is properly molten and greasy when they pull it out of the oven, and many a Yelp review will confirm that this joint is an oasis for all East Coast transplants who thought they couldn't find such pizza anywhere here. But above it all, the place runs on great cheap food -- ranging from classic American fare to Chinese favorites -- and friendly service. Since then, the little Third Street diner has skyrocketed to Food Network fame and long lines as well as scoring a second location in North Beach. Also, they serve some of the best spiced vegetarian stuff you'll find anywhere. Those pair nicely with a donut after a beer bust. And it has its fair share of detractors. Here the best spots in the city to grab a good bite on the cheap. But beware that the place keeps odd hours, and won't always be open when they're supposed to be. The dry fried chicken wings. In this truly divey, fluorescent-lit, bordering-on-unpleasant setting you can eat some of the best tasting North Indian and Pakistani dishes in town. Oh, and they make burritos too. Those Monterey Jack rolls? I live in SoMa, San Francisco and these are my favorite neighborhood spots. Neighborhood restaurants IMO should serve up heartfelt dishes without breaking the bank. In SoMa that can be hard to find, but these restaurants manage to pull it off. Find and share the best restaurants and bars in San Francisco, CA. Mar 14, - For a special bonus round of cheap eats, there are always food trucks to explore. Off the Grid has different groups of trucks together almost every day of the week, in different neighborhoods. Find the one that works best and get munching, but be sure to bring layers in case the famous fog rolls in. The SoMa. reviews of SOMA Eats "Should have updated my review eons ago, but this place for lunch, particularly salads, in my opinion, beats out all the other salad joints But helping us ease the financial pain is the magnificent selection of delicious, affordable eats ahead, all of which are or less (and can be found everywhere. Mar 16, - And, fear not: The options aren't limited to food trucks and street vendors, though some of those make appearance. Many of the city's best cheap eats are simply neighborhood spots, serving up their own versions of affordable fare. Here are 18 of the Bay's best cheap eats spots that'll make your wallet (and.
