You actually thought it was legal to import them? Benzos don't have much recreational benefit anyways. Her anxiety's going to be a lot worse when she finds out she broke the law. In western australia i really doubt i'd be able to get a prescription for any benzos when i'm 19 Why would it be harder in Western Australia than it is in Victoria, or anywhere else for that matter? As easy as the availability of Benzodiazepines are, if used incorrectly eg: I think Cowboy Mac pretty much summed it up In any case, Benzos are certainly restricted and so possessing them in your state without a doctor's prescription is illegal. I was pretty sure I was stating the law when I said what I did above. At first we were under the impression it's legal to import 3 months worth of medication from these pharmacies. If it is your first attempt they will not take any legal action. A related question; has anyone esp. Whilst some of us may be fantastic liars; others aren't. But, I'll post a warning. I can guarantee you will sleep, if you don't you have serious sleeping issues. Benzos, on the other hand, can, and the matter may be investigated. So like now they are on the way. In western australia i really doubt i'd be able to get a prescription for any benzos when i'm 19 Bullshit. Children as young as 10 years old are prescribed these very drugs.
