More recently, repetitive transcranial magnetic stimulation (rTMS) is in vogue. If you think about all the varying states of consciousness that humans can experience. As it is too early to pinpoint the specific disorders that Lamotrigine is most effective in treating in, here are some disorders where Lamotrigine has been beneficial Unipolar Depression of the acute kind. BPD treatment. PTSD treatment. Depersonalization Disorder treatment. Schizoaffective Disorder treatment. 26 Sep Lamictal and derealization. Post by Cocinella Wed May 21, am. Hello to you all! I am opening new topic with the side effects I am noticing in my case. As the tittle suggest, I am experiencing quite a weird feeling and I think it might be derealization. I mentioned it to my doctor the last time I had an appoinment but. 19 Oct A study involving lamotrigine (an epilepsy drug that reduces glutamate) demonstrated efficacy in treating depersonalization disorder in a double-blind placebo-controlled trial. In particular, 26/36 lamotrigine-treated patients responded by week 12 versus only 6/38 in the placebo-treated participants. 22 Feb It is also sometimes used to treat other mood disorders that are not treatable with other medications, including borderline personality disorder, schizoaffective disorder, depression, and depersonalization disorder. Though Lamictal showed potential benefit in a small study of people who suffer from. Some patients diagnosed with Borderline Personality Disorder, a disorder that many psychiatrists believe is a variant of Bipolar Disorder, have responded to treatment with lamotrigine. Patients with Post-Traumatic Stress Disorder and with Depersonalization Disorder have also responded well to lamotrigine therapy. Lamotrigine was then added at an initial dose of 25 mg/day, with a gradual increase to up to mg/day. The patient had significant improvement in different aspects, such as affect, interpersonal contact and social interaction. The depersonalization symptoms gradually decreased, which made it possible for the patient to go.
