The cheapest price is to buy the package of 3 bottles for a total of 42 capsules yes, the wasted packaging is ridiculous. But the bright purple brochures would have attracted my eye anyway. Remember, OTC is not always cheaper than prescription, and generic is not always cheaper than brand name. If you are the site owner or you manage this site, please whitelist your IP or if you think this block is an error please open a support ticket and make sure to include the block details displayed in the box below, so we can assist you in troubleshooting the issue. Thu Mar 8 I can help you understand coupon terms and abbreviations. Frequent heartburn is often caused by excessive acid production. I have been on Nexium 40mg for years. And what about when a generic version is finally released later this year? Either way, that price is less than the average OTC price. Would she consider generic Nexium, esomeprazole? You have violated one or more of CouponCabin's Terms and Conditions for cash back. If you were just using CouponCabin, clicked a link and received this message, please give us five minutes while we reset things. See my comments below. Stores run sales on it all the time and there are always coupons available to print from sites like coupons. Check your search for typos. But I understand that if it has been working for your wife, she would be anxious about changing.No.1 Gastroenterologist recommended OTC frequent heartburn medicine for 10 straight years.
