How did you start using Vicodin? As I recall, I had made them for faxing in an insurance claim at that time. Did you need to provide any medical history? When the withdrawal symptoms got too rough, I could have sought out professional help or talked to somebody anything but what I did, which was to fall deeper into the cycle of prescription drug abuse and addiction. After about four months, I called her to get my usual refill request refilled. His insights into the trap of prescription drug abuse are powerful. Maybe I could have just tried to stick to Advil or something like that instead. I basically lied to her this person who had been our trusted family physician for years in order to get her to refill my Vicodin prescription. I was so ashamed about what I had done that I scheduled the appointment and then never showed up. I probably would have had the strength to not take the drugs at the very beginning.
