Get top stories and blog posts emailed to me each day. Soulja Boy has started a petition to get pharmaceutical company Actavis to start selling promethazine codeine, a key ingredient in sizzurp, after the company ceased production on the product earlier this month April. Share on Facebook Share on Twitter. Users and dealers might not know how these companies did last quarter, but they all have opinions on who puts out the sweetest, most potent sip. Irish pharmaceutical company Actavis ceased production of promethazine codeine earlier this month April Soulja Boy has started a petition to get pharmaceutical company Actavis to start selling promethazine codeine, a key ingredient in sizzurp, after the company ceased production on the product earlier this month April. Soulja Boy is also a fan and is lobbying Actavis to return their cough syrup back to market. To many, the music spoke of everyday life, which for some people included drinking drank. Or the pink standard, rather: Occasionally hard fruit sweets are included for extra sweetness. A cough syrup which has been allegedly a drug of choice for various musicians including Justin Bieber and Soulja Boy will no longer be made available due to the negative connotation musicians have established for it. Inside was promethazine codeine cough syrup. Apr 25, - taken away, and the only true "Lean," or "Sizzurp," is the one manufactured by Actavis, known as "Prometh," a variety of promethazine codeine syrup that is purple, usually with an orange label. Sometimes it came with a purple label, and I know hindsight is 20/20, but that purple is much better for branding. May 2, - Recently, pharmaceutical company Actavis decided to pull their very popular prescription-only cough and cold medication, promethazine with codeine syrup, off the market. The discontinuation of this product is due to the popularity of its recreational use. What is promethazine with codeine syrup actually. Mar 9, - Actavis was the first company to get a formulation on the market, labeling it Prometh With Codeine Cough Syrup. Wockhardt followed not He noticed a pattern of financial success that moved from one company to the next, as brands changed hands and public attention to drank increased. Actavis, he says. Aug 30, - Actavis, the so-called Rolls-Royce of lean, the paragon of codeine/promethazine cough syrups, is no more. Actavis put out a masturbatory press release on their corporate responsibility. Users say that Actavis brand is the best tasting and the strongest. They would resort to saying they were allergic to. Jan 15, - ACT is the most popular BC of the flavor. Its the purple. The Qualitest and HiTech brands are just generic brands but taste stronger amd more "mediciny." They're the yellow and red. They all 3 have the same active ingredients and same dose of codeine/prometh as ACT. Activis just has a better unahistoriafantastica.com's the difference between Par promethazine with. Apr 28, - Soulja Boy has started a petition to get pharmaceutical company Actavis to start selling promethazine codeine, a key ingredient in sizzurp, after the company ceased production on the product earlier this month (April). Sizzurp, also known as purple drank or lean, comprises of prescription-strength cough. Prometh VC with Codeine Oral syrup drug summary. Find medication information including related drug classes, side effects, patient statistics and answers to frequently asked questions. Visit unahistoriafantastica.com for more details. TELL YOUR DOCTOR: If you have an allergy to codeine, promethazine, or any other part of this drug. TELL YOUR DOCTOR: If you are allergic to any drugs like this one, any other drugs, foods, or other substances. Tell your doctor about the allergy and what signs you had, like rash; hives; itching; shortness of breath;.
